# Lesson 1: Time

I can program a robot to say the date and time

Can you make Ohbot speak?

```
when [green flag] clicked
say [Hello! How are you?] until done
wait [1] secs
say [I am a very clever robot because I know how to talk!] until done
```
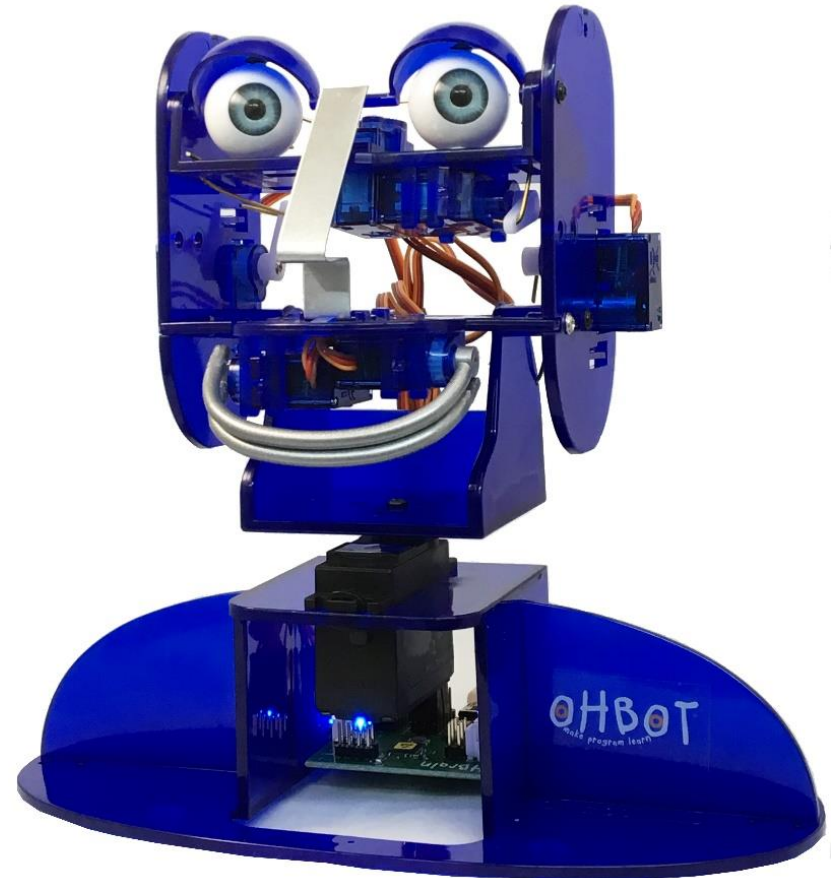

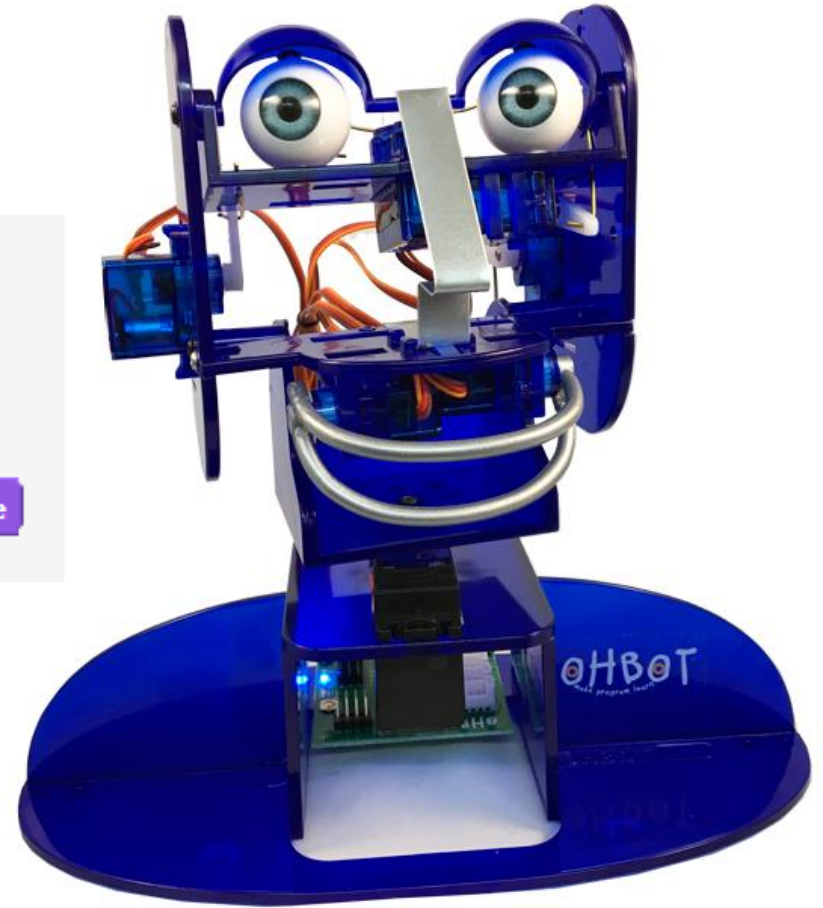

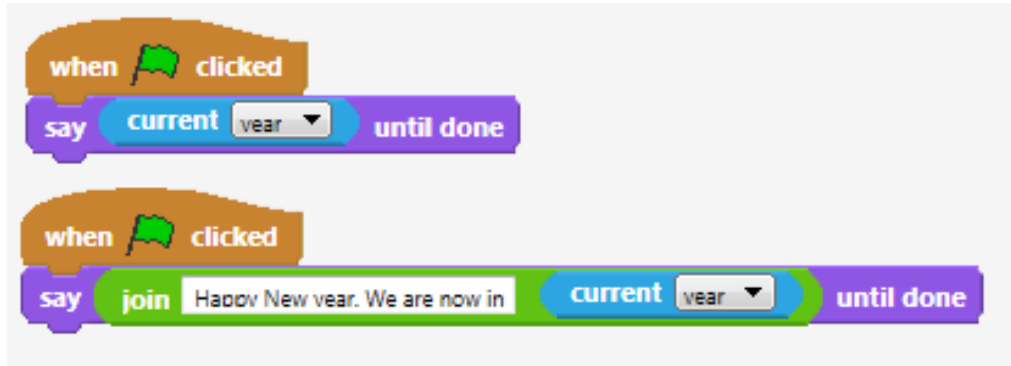

Demonstration

Together we will write some code to say the year
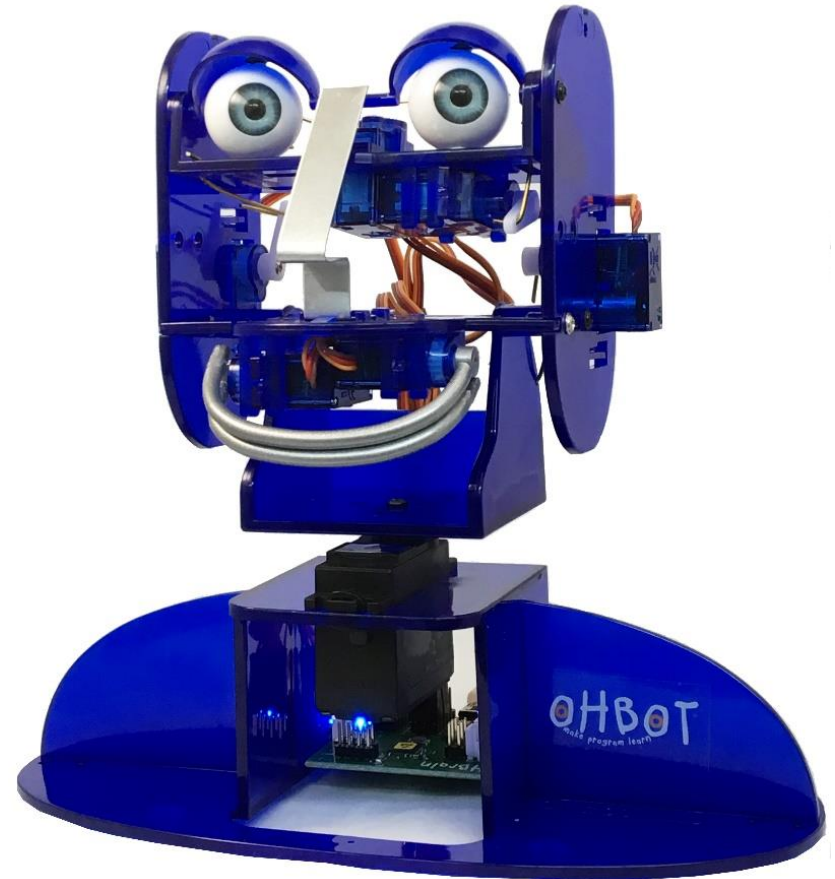

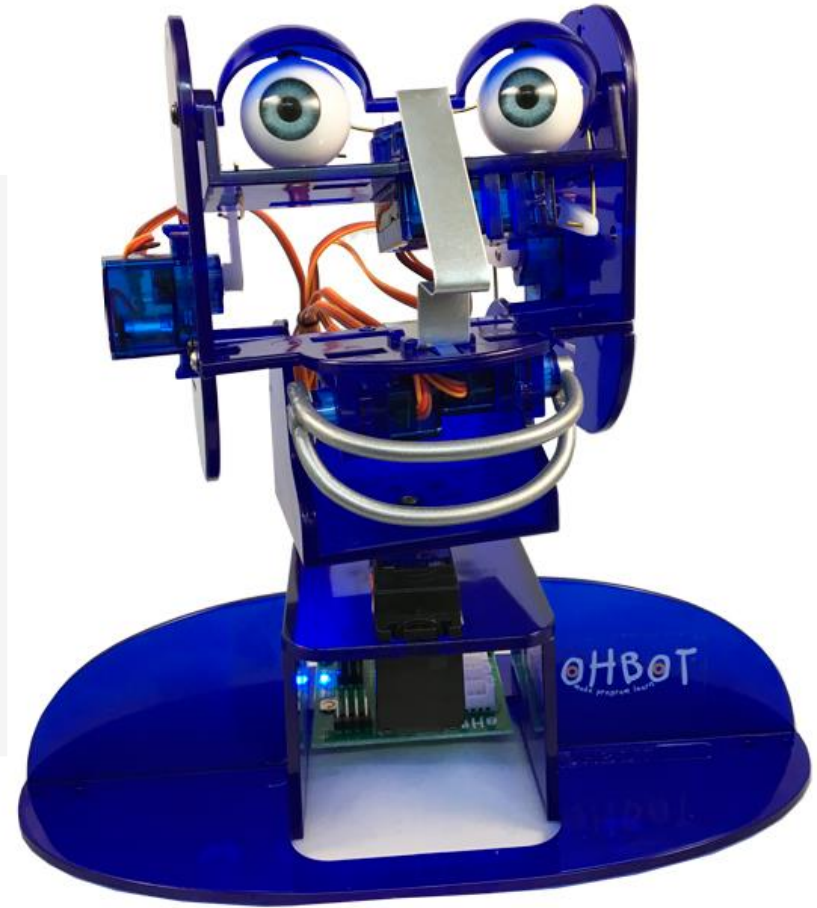

File save as; "current year"

Saying the year

Activity 1

Can you write some code to make Ohbot say the time in hours, minutes and seconds?

File *save as* "current time"
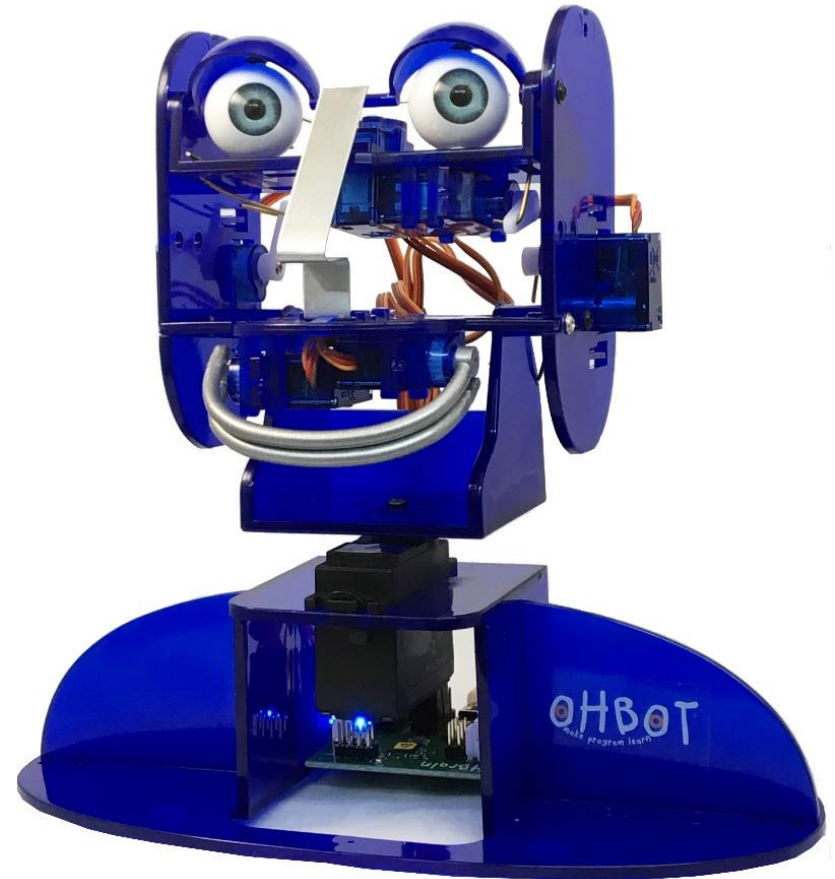

Saying the time example

Extension

Can you write some code to say the day, date, month and year?

File, Save As – "current date"

Saying the date example
